Aziloth Books, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Laurence Sterne was born into poverty in 18th century Ireland, but managed to study at Cambridge University by working a servitor to other, richer students. His novel/memoir A Sentimental Journey has been variously described as either a classic satire comparable with the works of Cervantes and Rabelais, or a book of utter immorality. Although it purports to be a travelogue, A Sentimental Journey is more concerned with provocative and racy humour, based upon a painstaking examination of the author's own inner dialogue and emotions. Sterne was man out of time - despite a lapse of over two hundred years, his work is remarkably in tune with the worries and preoccupations of present-day readers.
