## POWER MARKET STRUCTURE: REVISITING POLICY OPTIONS (PAPERBACK)

World Bank Publications, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. The current distribution of power markets around intermediate structures between full integration and unbundling suggests that there has not been a linear path to reform in practice. Instead, many developing countries may retain intermediate structures in the foreseeable future. This possibility exposes a large gap in understanding about power market structures, since most theoretical work has focused on the two extreme structures and there is limited...
